### Multi Level User

Login Admin :

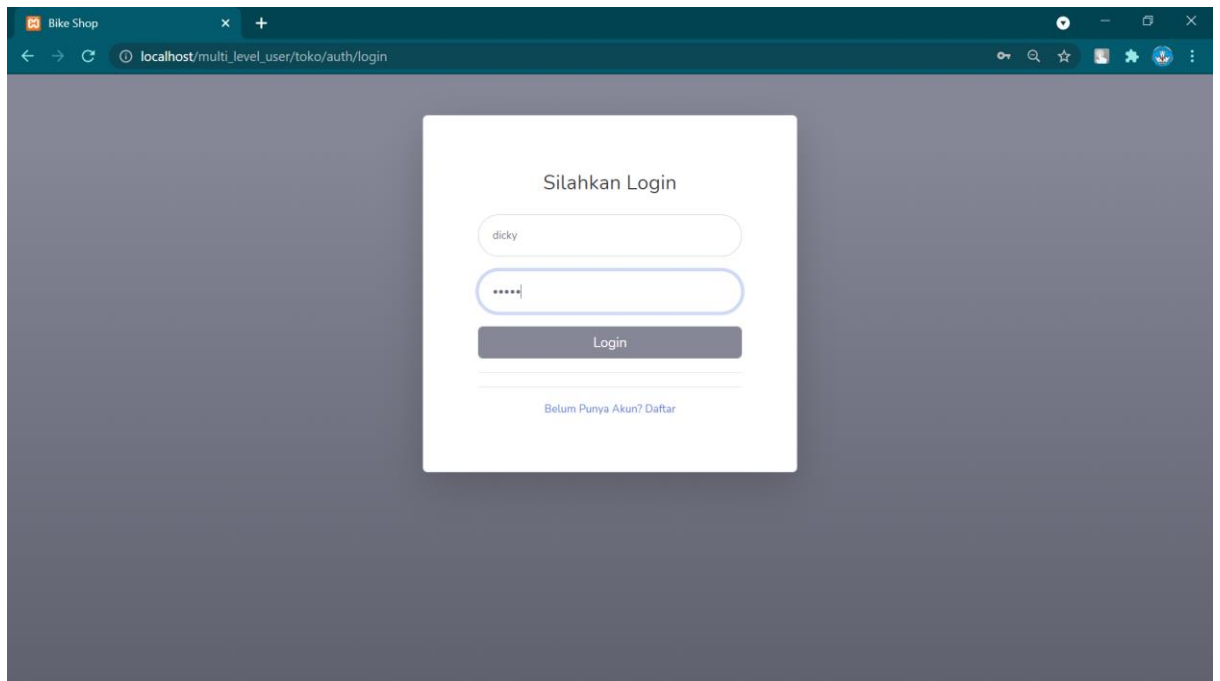

The screenshot shows a web browser window with the address bar displaying 'localhost/multi\_level\_user/toko/auth/login'. The page features a central white login form on a dark gray background. The form is titled 'Silahkan Login' and contains two input fields: one for the username 'admin' and another for a password represented by six dots. Below the password field is a 'Login' button. At the bottom of the form, there is a link that says 'Belum Punya Akun? Daftar'.

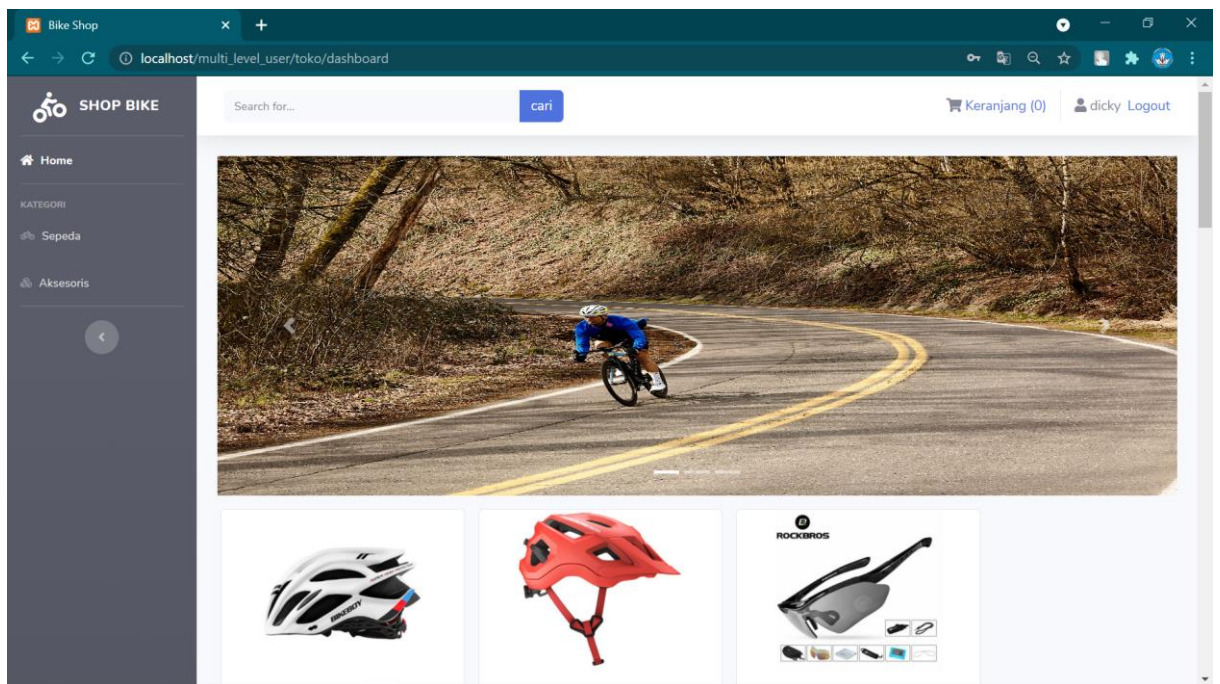

## Login Pembeli

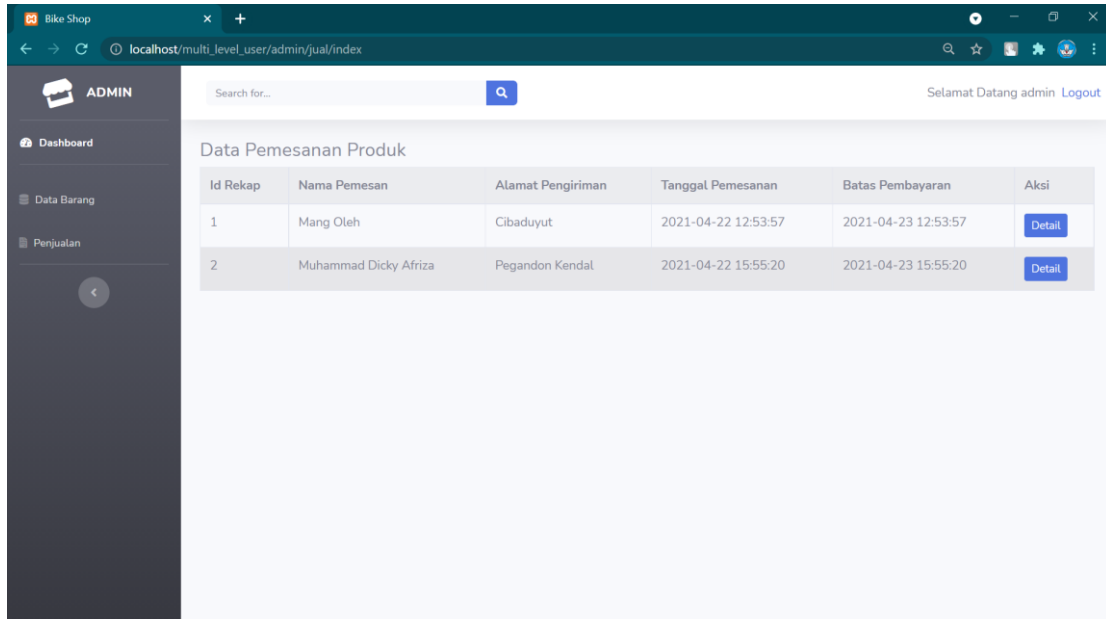

The screenshot shows a web browser window with the address bar displaying `localhost/multi_level_user/toko/auth/login`. The page features a central white login form on a dark gray background. The form is titled "Silahkan Login" and contains two input fields: the first is labeled "dicky" and the second is a password field with masked characters "\*\*\*\*\*". Below these fields is a "Login" button. At the bottom of the form, there is a link that reads "Belum Punya Akun? Daftar".

Fitur notifikasi menggunakan flash data

## **BAB II**

### **KENDALA DALAM PRAKTIKUM**

#### **2.1 Kendala**

Dalam mengerjakan praktikum saya mendapat beberapa kendala, seperti saat menginput data tiba-tiba ada foreign key sendiri di table, selain itu dalam penggunaan template saya agak kesusahan, dan fitur ajax belum begitu menguasai.
